## EXPLORING HIDDEN EUROPE – AND BEYOND

New WPU member DUNCAN J D SMITH is a self-styled 'Urban Explorer', travel writer, historian, and photographer. Since 2003 he has been uncovering the hidden corners of Europe, publishing his findings in a ground-breaking series of books, the 'Only in...' guides. April 2009 will see publication of the latest volume, *Only in Munich*, which joins successful titles on Vienna, Budapest, Prague, and Berlin. Duncan will extend the series shortly with Istanbul and Paris.

Beyond Europe Duncan has recently returned from thrilling journeys through Morocco, Egypt, Jordan, Kenya, and Tanzania, travelling in the footsteps of Britain's forgotten travellers of the 1920s and 30s, and adding valuable new images to his extensive photo library.
