

Only in Hamburg: All reviews

Marianne Pieper, Warburg-Haus:

“Only in Hamburg”...thank you so much...it is a very nice book...(and) a really fine gift for friends and guests who want to visit Hamburg.

Peter Maass, Hapag-Lloyd AG:

In my view, your publication contains excellent photographs and quite specific views on my hometown, and it also provides new information for ‘natives’. I like the book’s approach very much and wish it good success.
