**A Worldwide Family of Churches
Together on a Mission**

What is Newfrontiers.....?

Newfrontiers is a worldwide family of churches, actively working together on a mission to establish the Kingdom of God by making disciples, training leaders, and planting churches. Newfrontiers has over 500 (200 in the UK) churches in 20 nations that come under the Apostolic leadership of Terry Virgo (pictured) and his international team.

Terry Virgo is based at the Church of Christ the King in Brighton. He is a regular conference speaker in the UK and abroad. He is also a well respected Bible teacher and author. He is married to Wendy.

Over the past few years, Newfrontiers has continued its commitment to plant new churches across the UK and abroad. For Newfrontiers, Wales represents a major challenge as it seeks to spread the Gospel across the Principality with the planting of a new church in Llandudno.

This emerging vision is being realised under the direction of Martin Charlesworth, a Newfrontiers regional leader who leads the Barnabas Community Church in Shrewsbury. Martin will work closely with Stephen & Anne Russell who will lead the new church.

- In September 06, the new church will be hosting fortnightly, mid-week meetings to be held at the Craig-y-Don Community Centre. These will be held on a Thursday evening from 7.30pm - 9.30pm.
- These special evenings will consist of a time of praise and worship, ministry of the Word and light refreshments. There will be also opportunities to get to know the Newfrontiers regional team. The style of the meetings will be informal, with a clear sense of vision and purpose.
- These meetings will give you a first hand insight into the vision and values of Newfrontiers and how these will shape the identity of the new church. All the speakers are part of the regional Newfrontiers team.
- Each study will be supplemented with study notes and other resource material.

We would like to invite you to join with us on our journey of faith, as we seek to establish this new church.

Yours in Christ
