Duncan J. D. Smith & Horst Prillinger

Urban explorer, travel writer, historian and photographer Duncan J. D. Smith presents "The City is My Jungle" - Travels, Words, Pictures & Guidebooks. Having worked for many years in the publishing industry selling other travel writers' books, Duncan J. D. Smith decided in 2003 to start writing and illustrating his own. He has since embarked on a lifetime's adventure, travelling off the beaten track in search of the world's unusual people and places, from the back streets of Vienna and the bunkers of Berlin to the deserts of Jordan and the spice farms of Zanzibar.

Literary allrounder Horst Prillinger lives and works in Vienna. Publications include a study on Scottish novels of the 1980s, a short story collection, two novels and a photographic anthology on night-time television. His novel *Messages from the Lost Continent*, co-written with Richard Hemmer and Mig Living, was shortlisted for the 2007 Blooker Prize.
